Vital Signs for Cancer Prevention Xandria Williams,2012-07-24 Vital Signs for Cancer Prevention suggests that cancer is a two phase process In Phase One you do not yet have and may never have cancer but predisposing factors poor diet and digestion toxins adrenal exhaustion and blood sugar imbalances among others can progressively and cumulatively increase your likelihood of developing it Phase Two begins when the first permanent transformed or cancerous cells form and are not destroyed by your defenses Understanding that the predisposing factors of the first phase lead toward the second can help you prevent the onset of cancer by correcting or minimizing those that apply to you Author Xandria Williams takes a natural therapies approach to healing cancer one based on an understanding of nutrition herbal medicine homoeopathy osteopathy and energy medicine rather than one based strictly on medicine drugs and surgery She sees cancer as a problem that affects the whole body not just the organ or system that is faulty and thus her recommendations are systemic rather than aimed specifically at the tumor Her main emphasis is on a series of scientifically validated tests many of which can be self administered she proposes that provide vital information as to the state of your health She also describes the CA profile a test that can indicate the presence of permanent cancer cells within the first six weeks and possibly years before a tumor can be detected allowing a crucial warning and the time to start an effective recovery program Williams suggests a number of supplements specific foods and other remedies detox procedures stress reduction to correct any of the predisposing factors that could with a final trigger move you from Phase One to Phase Two of the cancer process You will learn how to avoid cancer if you have not yet developed it avoid recurrences if you are in remission and overcome cancer if you have been diagnosed with it

God On Assignment As You David D. D. Hulse, 2013 GOD ON ASSIGNMENT AS YOU DAVID HULSE D D We are not human beings having a spiritual experience we are spiritual beings having a human experience Pierre Teilhard de Chardin I realize that this book may not be for everyone at this time However it is necessary to challenge the sensibilities of man made traditions which have made the word of present truth of no effect to this generation I invite you to listen to your own inner Christ intelligence which is able to lead you to your truth rather than listening to the feeble attempts of dogmatic voices who are only plunging us into the depths of unanswered questions If you are in the process of re examining old childhood beliefs and have realized there has to be a more excellent way this book is for you With this in mind I invite you to open your minds and your hearts to this great process of incarnation when an adventurous playful Creator chose to experience and play the game of humanity with all of its diversity My premise is that a Creator could not create anything less than itself as that would result in pity Creating anything greater than itself would result in admiration Only creating that which is equal results in love You are the creator experiencing the richness of this human journey You are god on assignment Let this mind be in you which was also in Christ Jesus who being in the form of God thought it not robbery to be equal with God Phil 2 5 6 KJV
